Ready for your McKenzie River rafting adventure? Here is what to bring:

- **A swimsuit** to wear under the wetsuit we will provide for you. You may want to have your swimsuit on under your clothing when you arrive. What you wear under the wetsuit is your choice, but we strongly advise against wearing cotton as a base layer.
- **A polarfleece, polypropylene or wool top** in case of cool conditions. This will help keep you nice and warm under the splash jacket we will provide for you. You can store it in the drybag on the boat if you don't want to wear it but would like to have it with you. We also have extras just in case!
- **A hat, sunglasses, sunscreen** depending upon conditions. A warm hat is nice to have on spring trips, or a hat with a brim is great for blocking the sun and some of the water! A leash (Croakies, for example) is helpful if you plan to wear glasses or sunglasses.
- **A water bottle** to help keep you hydrated on the trip. We also sell reusable water bottles in case you forget yours.
- **Medications** that you would normally keep on hand, i.e. epi-pen, inhaler, insulin, nitroglycerin, etc.
- **Your sense of adventure** to help you make the most of this trip and have the best experience possible on the river!

Any questions at all? Feel free to call us anytime at 541-822-3243 or send a message to reservations@horse-creek.com.

Thanks for choosing Horse Creek Lodge & Outfitters, and we look forward to seeing you on the river!
